# ELLE INTERNATIONAL BEAUTY AWARDS 2018

Editors from ELLE's 46 worldwide editions have put millions of products to the test. Here, we agree on our 13 favorites

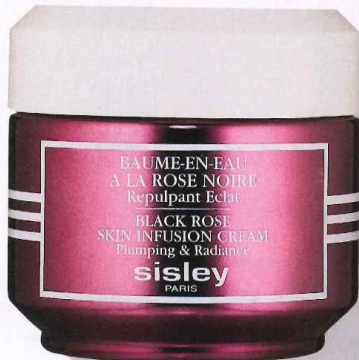

◎ **TWICE AS NICE**  
“I love the idea of interval training for the skin,” says ELLE Czech Republic’s Cindy Kerberova about LANCÔME Visionnaire Crescendo Dual-Phase Night Peel, a 28-day treatment that boosts radiance (days 1-14) and tackles fine lines (15-28).

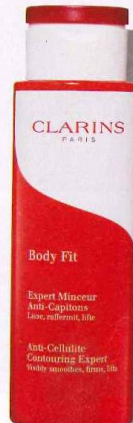

◎ **LOVE NOTES**  
“Pure poetry,” says ELLE Belgique’s Marie-Noëlle Vekemans of GUCCI Bloom. With lush elements of Rangoon creeper and jasmine, “this fragrance carries you away to a universe full of softness and femininity.”

◎ **DR. FEELGOOD**  
ELLE US’s own beauty guru, Emily Dougherty, says deeply luxurious SISLEY Black Rose Skin Infusion Cream for the face is “more soothing than an hour with my therapist.”

◎ **PHOTO FINISH**  
Firming CLARINS Body Fit Anti-Cellulite Contouring Expert targets cellulite with quince leaf and green coffee to give legs a “Photoshop effect immediately,” says Arlette Barrionuevo of ELLE Argentina.

◎ **QUICK CHANGE**  
Elisabeth Martorell of ELLE France calls nourishing KIEHL’S Calendula & Aloe Soothing Hydration Masque, which calms and rejuvenates skin in five minutes, “a cosmetic Band-Aid in your SOS kit.”

◎ **ON THE FRINGE**  
Lauren Nicoll of ELLE South Africa says that DIOR Diorshow Pump'N'Volume mascara—the update to the classic formula—helped her make “lash extensions a thing of the past.”
